

No Spray Register Application Form 2018-2020

Applications must be submitted to Council by Monday 3 September 2018

As part of the maintenance of roadside vegetation, Sorell Council undertakes a spraying program within both urban and rural areas of Sorell, using Government approved chemicals. As part of the program, Council invites residents to apply for their property frontage to be added to the No Spray Register for the 2018-2020 period. Current permit holders, from the 2016-2018 period will need to re-apply as those permits expire on 30 June 2018. If your application is approved you must undertake control of the vegetation along the frontage of your property in accordance with Council's No Spray Register Policy. The policy can be viewed on Council's website at www.sorell.tas.gov.au/publications/policies or at the Sorell Council offices.

Name:.....

Reason to be added to No Spray Register

Please attach supporting evidence to support your request to be added to the No Spray Register. This includes advice from your medical practitioner if the reason is on medical grounds. Failure to supply sufficient evidence may result in your application being refused or delayed until satisfactory evidence is provided. You may only apply to be added to the Register for property frontage that you own.

No Spray Application Agreement

In making this application, I hereby acknowledge that should my application be approved, I will be responsible for the maintenance of the vegetation along the road frontage of my property in accordance with the permit and that failure to do so is likely to result in Council cancelling the No Spray Permit and resuming chemical spraying of the vegetation. I also acknowledge that any permit issued will only be for a maximum two (2) year period and that I will be required to make a further application should I wish to have the No Spray Permit extended beyond that date. I declare that I am the registered owner of the property for which the permit is being applied.

I agree:
