Sorell Council does not endorse nor recommend any of the people/companies included in this list. The information is provided to assist developers identify those individuals/companies that have previously submitted site & soil evaluation reports and designed on-site systems. Other individuals/companies not included in these lists that have the appropriate skills and knowledge may also submit reports. Council advises you confirm with the individual designer/consultant that they hold current accreditation under the Occupational Licensing Act 2005. This information is accessible at http://www.justice.tas.gov.au/licensing_and_accreditation/search_licence_databases/abp2

A number of designers/consultants have advised that they are prepared to undertake work at a reduced cost for reconstruction projects arising from the January 2013 Bushfire. Please discuss this with the individual consultants as Council cannot be involved in as remuneration issues between consultants and clients.
