21.0 QUESTIONS FROM THE PUBLIC

In accordance with Regulation 31 of the Local Government (Meeting Procedures) Regulations 2015, Council will conduct a Public Question Time.

At each meeting the Mayor will invite those members of the public present to ask questions. When requested please:

- Stand up; and
- State clearly your name and address.

This time is allocated for questions from the public. Questions are to be kept brief and specific to the topic to which they relate.

Members of the public are reminded that questions and any answers to such questions are not to be debated.

Questions may be submitted to Council in writing at least seven (7) days before an ordinary Council meeting.

Toby Meredith of Sorell made a statement regarding improvements required for the Sorell Dog Park.

James Cooper for Midway Point made a statement and provided an update on a previous petition for the Sorell Dog Park and questioned what Council was going to do as an interim solution to improve the facility.

Mayor Vincent responded that the previous petition was tabled by Council for further information regarding cost estimates.

AGENDA
ORDINARY COUNCIL MEETING
18 APRIL 2023

The General Manager advised that in August 2022 the petition came before Council with costings on both Capital and Operating budget expenditure to improve a range of factors with the Sorell Dog Park. He advised that this was in the vicinity of \$50,000.00 and that if the facility were to be established at Miena Park, it would add a further estimated \$20,000.00. It was considered as a project at the mid-year budget review but unfortunately Council was over committed on other projects already. It will be considered as a capital budget candidate for the 23/24 financial year. There have been some operational maintenance improvements completed which from feedback don't appear to be sufficient and the General Manager will speak to relevant staff around this.

Sharon Fotheringham of Forcett questioned when the Airport – Sorell Infrastructure is due to be completed?

Mayor Vincent advised that the Federal funding required the project need to be completed by 2025. There have been issues with the Federal Environment Protection and Biodiversity Conservation agency. Pitt and Sherry have been appointed by the Government for the design work which is still to occur. It appears the date for the project has been pushed out to 2027.

Sharon further questioned if the Golf Club was to be lost as part of this infrastructure project?

Mayor Vincent advised that it would likely be a matter of redesign to one of the holes and dam to allow for the road to pass through.

Dierdre Biggar from Dodges Ferry raised concern for the Boneseed and large Gumtrees on the foreshore land in First Avenue. Does ongoing maintenance of walkways include this strip of land?

The General Manager advised that this foreshore land is not Council Property and is not maintained. We do own and maintain the walkway between properties 19 and 21 which provides access to the foreshore strip.

Dierdre further questioned what has happened with regard to the beautification of Sorell after receiving consultants advice?

Mayor Vincent advised that this is one part of the process and budget considerations would need to be made for the next steps of the process. Peter Kenyon's advice was around concepts, he has provided Council with contacts for further design consultants. Further consultation and consideration still needs occur.

Dierdre questioned what is going to happen with the old Police Station building?

Mayor Vincent advised that initial conversations are occurring but nothing has been determined as yet.

Susan Abate of Lewisham questioned what can be done with the tyres in Townsends Lagoon Lewisham?

Mayor Vincent advised that this concern has been raised by a number of people.

The General Manager advised that he would need to take this question on notice to enable a discussion with Council's Planning Manager around the operation of the Planning Scheme and what we can then reasonably do with enforcement provisions of the planning legislation.

Susan further questioned if the corner of Old Forcett Road and Quarry Road could be looked at as it is dangerous.

Mayor Vincent advised Susan to give her details to the Director of Service Delivery to follow up with the exact concerns with the corner. He will then follow up with engineering staff.

The open meeting closed at 7.15 pm.

10.6 INFRASTRUCTURE AND ASSETS – JULIE MANN, MANAGER

CAPITAL WORKS TRANSPORT AND STORMWATER

The Engineering Team have been managing the delivery of the gravel re-sheeting and bitumen reseal maintenance contracts which were previously administered by Council's operational staff. These contracts and the co-ordination of surveys and land/easement acquisition processes associated with ongoing stormwater issues has unfortunately resulted in departmental resources focusing their time away from progressing the current Capital Works projects.

There are several Capital Works projects that are advertised for construction, about to commence construction, have commenced or achieved practical completion across the Municipality.

Capital Works construction projects within the procurement process:

- Nugent Road Reconstruction, Wattle Hill - C-23-T-005 – Public Tender closes April 2023; and
- Nugent Road, Nugent - Curryjong Rivulet Culvert Replacement - Public Tender closes April 2023.

Capital Works about to commence construction:

11.0 PETITIONS

11.1 PETITION – HOONING ON CONNELLY’S MARSH BEACH

RECOMMENDATION

“That in accordance with Section 58(2) of the Local Government Act 1993, Council receives the attached petition signed by 59 signatories requesting Council take action to restrict access to Connelly’s Marsh Beach to Emergency Vehicles only.”

INTRODUCTION

On Wednesday 22nd March 2023, the (attached) petition was delivered to Council and subsequently the General Manager to be registered and presented to Council. The petition contains all the pre-requisite information as per the Local Government Act 1993 (“the Act”), Section 57(2).

The petition has been lodged by Wayne Grant of 32 Knights Road, Connelly’s Marsh, David Langlois of 34 Knights Road, Connelly’s Marsh and Karen Street of 32 Knights Road, Connelly’s Marsh.

STATUTORY MATTERS

Relevant controls on the preparation, submission and consideration of petitions is contained in Part 6 – Petitions, polls and public meetings, Division 1 of the Act.

Sections 58 and 60 specify how a Council is to accept and act on a valid petition with associated timeframes. A petition must be tabled by the General Manager at the next ordinary meeting of the council. Council must then determine any action in respect of the petition within 42 days.

REPORT

The petition containing 59 signatories requests the following action:

“That the vehicle access to the beach at Connelly’s Marsh be restricted to emergency vehicles only as at Carlton Beach.”

The request requires investigation and consideration by relevant staff and the Crown in order for an informed response to be provided to a Council Meeting.

ROBERT HIGGINS

RECOMMENDATION

That pursuant to Section 57 of the *Land Use Planning and Approvals Act 1993* Council resolve that Planning Application 5.2023.34.1 for Business and Professional Services (Jobs Hub) & Car Parking in Dubs & Co Road Reserve at 47 Cole Street, Sorell be approved, subject to the following conditions:

1. Development shall generally be in accordance with the endorsed plans submitted on 2 February 2023 except as may be amended by the conditions of this permit.
2. All requirements of TasWater Submission to Planning Authority Notice Reference TWDA 2022/00199-SOR and dated 23 February 2023.
3. Landscaping through a combination of trees, shrubs and lawn, must:
 - a) Be provided and maintained on the land to improve the appearance of areas used for car parking and vehicular access and soften the appearance of, and partially screen, the bulk of buildings;
 - b) Have a maximum potential height of no more than 1m within 9m of an intersection of two or more public roads;
 - c) Be described in a landscape plan submitted to the General Manager prior to the commencement of the works. If satisfactory, the landscape plan will be endorsed and will form part of the permit; and
 - d) Be implemented in accordance with the landscape plan no later than one month after the completion of works unless otherwise agreed to in writing by the General Manager.

Environmental Health

4. Before commencing works on the site the applicant must provide a construction environmental management plan details proposed measures to prevent pollutants leaving the site. The plan shall include but not be limited to:
 - a) Soil and water management;
 - b) Dust suppression;
 - c) Noise management;
 - d) Air pollution control;
 - e) Washing down of construction vehicles to; and

RECOMMENDATION

That pursuant to Section 57 of the *Land Use Planning and Approvals Act 1993* Council resolve that Planning Application 5.2023.33.1 for Additions & Alterations to Existing Clubrooms for New Function Centre & Car Parking at 11 Arthur Street, Sorell be approved, subject to the following conditions:

1. Development shall generally be in accordance with the endorsed plans submitted on 31 January 2023 except as may be amended by the conditions of this permit.
2. All requirements of TasWater Submission to Planning Authority Notice Reference TWDA 2023-00170-SOR and dated 14 February 2023.

- c. Be implemented in accordance with the landscape plan no later than one month after the completion of works unless otherwise agreed to in writing by the General Manager.

Environmental Health

- 4. Before commencing works on the site the applicant must provide a construction environmental management plan details proposed measures to prevent pollutants leaving the site. The plan shall include but not be limited to:
 - a. Soil and water management;
 - b. Dust suppression;
 - c. Noise management;
 - d. Air pollution control;
 - e. Washing down of construction vehicles to; and
 - f. Light spillage from construction or security lighting.

Development engineering

- 5. Prior to the issue of a building permit, a detailed car parking plan prepared and certified by a qualified civil engineer [or other competent person] must be submitted showing:
 - a. Location and dimension of all car parking spaces, access, aisles and turning areas;
 - b. Turning paths;
 - c. Pavement construction;
 - d. Line marking or other delineation;
 - e. Design surface levels and drainage; and
 - f. Delineation of specific and clear vehicle manoeuvring routes from Arthur Street to the building footprint that minimise conflict with vehicles circulating through the property to access one or more facilities within the property.

If satisfactory, the car parking plan will be endorsed and will form part of this permit.

Advice: It is recommended that the access gates be removed or rebuilt with sufficient width to enable to safe two-way movement of vehicles and a 2.5m shared path. The existing narrow gates impede the safe and efficient movement of vehicles and pedestrians and are no longer fit for purpose given the increase in usage within Pembroke Park. Suitable give-way signage is also recommended for vehicles exiting the site due to instances of some users viewing the access as a road, rather than an access point, and failing to give-way in accordance with traffic laws.

3.0 DECLARATIONS OF PECUNIARY INTEREST

The Mayor requested any Councillors to indicate whether they had, or were likely to have, a pecuniary interest in any item on the agenda.

Mayor Vincent declared a potential non-pecuniary interest in item 4.1 on the agenda due to owning a business at 139 Main Road Sorell which forms part of the recommendation.

Councillor Reynolds declared a perceived non-pecuniary interest in item 4.1 on the agenda due to a close associate owning land adjoining the quarry adjacent to 67 Tasman Highway Sorell which forms part of the recommendation.

In considering the following land use planning matters the Sorell Planning Authority intends to act as a planning authority under the *Land Use Planning and Approvals Act 1993*.

Mayor Vincent left the room at 4:40pm, Councillor Reynolds took over the Chair for the next item.

RECOMMENDATION

That pursuant to Section 57 of the *Land Use Planning and Approvals Act 1993* Council resolve that Planning Application 7.2022.26.1 for a 4 Lot Subdivision at 212 Greens Road, Orielton be approved, subject to the following conditions:

1. Development shall generally be in accordance with the endorsed plans dated 21 September 2022 except as may be amended by the conditions of this permit.
2. As no provision has been made for Public Open Space or improvements thereto and, having formed the opinion that such a provision should be made, Council invokes the provisions of Section 117 of the *Local Government (Building and Miscellaneous Provisions) Act 1993* and requires security equivalent of 5% of the improved value of the gross area of the subdivision. This should be in the form of a direct payment made before the sealing of the final plan or, alternatively, in the form of security provided under Section 117 of the Act. The subdivider is to obtain a report from a Registered Valuer for the purposes of determining the improved value of the gross area of the subdivision.

Development engineering:

3. Prior to the commencement of works, engineering design drawings showing all work required by this planning permit, and any additional work proposed, must be prepared in accordance with the current:
 - (a) Tasmanian Subdivision Guidelines
 - (b) Tasmanian Municipal Standard - Specifications
 - (c) Tasmanian Municipal Standard - Drawings
 - (d) Any relevant council policy

The design drawings must be prepared by a suitably qualified and experienced engineer or engineering consultancy with an appropriate level of professional indemnity insurance.

Advice:

- i. *The Tasmanian Subdivision Guidelines, Specification, and Drawings are available at www.lgat.tas.gov.au.*
 - ii. *Variations from the Tasmanian Subdivision Guidelines, Specifications, or Drawings may be approved at the discretion of Council's General Manager or their delegate where a clear justification exists and the alternative solution is to a no lesser quality in terms of infrastructure performance or maintenance costs over the life of the asset.*
 - iii. *Where there exists any conflict(s) between the Tasmanian Subdivision Guidelines, Specifications, or Drawings and this permit, any requirements of this permit shall take precedence.*
 - iv. *Engineering design drawings will expire two years after their approval and will be endorsed as such.*
4. Prior to works commencing, the following fees must be paid for each stage of construction:
 - (a) Engineering design drawing assessment fee
 - (b) Inspection fees for minimum estimated number of inspections

Where reassessment of engineering drawings or subsequent inspections are required, additional fees may be required.

Advice: Council fees are updated each financial year and can be found in the [Sorell Council Fees and Charges schedule](#), available from Council.

5. Works must not commence on site prior to the approval of engineering design drawings by the General Manager.

6. A Construction Management Plan (CMP) must be provided including, but not limited to, the following:
- (a) Traffic Management Plan; and
 - (b) Soil and Stormwater Management Plan
- All requirements of the CMP must be implemented prior to any works commencing on site.
7. Prior to works commencing, the developer must submit a Notice of Intention to Carry out Work (available from Council) inclusive a certificate of currency for public liability insurance for the contractor and any sub-contractor.
8. Prior to sealing the final plan the following works must be completed in accordance with the endorsed engineering design drawings:
- (a) Lot connections for each lot:
 - i. Connection to the electricity network;
 - ii. Connection to the telecommunication network (if available).
 - (b) Vehicle access for each lot:
 - i. 40mm thick DG10 asphalt vehicle crossover to front boundary (6.0m minimum);
 - iii. Appropriate drainage must be provided for each access and driveway to prevent runoff from leaving the property or to direct runoff into Council's roadside drains;
 - iv. Minimum width of 3.6m, or 4.0m where bushfire prone;
 - v. Each property access must be located to minimise potential conflicts with other vehicles.
 - (c) Fencing and gates:
 - i. Any existing frontage fencing not located on the correct boundary must be removed with new rural type fence installed in the correct location;
 - ii. Gates must be installed at each new property access and set back to allow vehicles to stop clear of traffic lanes, minimum of 6.0m from edge of seal.
 - (d) Road construction:
 - i. Sealed and drained road carriageway with a 7m wide seal width (including shoulders) and 18m road reservation;
 - iii. Cul-de-sac heads must be finished with 40mm thick DG10 asphalt with 9m radius and 25m road reservation. Where bushfire prone, radius to be increased to 12m with 31m road reservation;

- iv. Street lighting with LED lamps. Developer to reimburse Council at a rate of \$625 (indexed with CPI) per LED lamp required;
 - v. Street signage and standard line marking to each intersection.
- (e) Stormwater network:
- i. Unimpeded major stormwater network for a 1% AEP event;
 - ii. Minor stormwater network for a 5% AEP event, including provision of any required detention to prevent downstream flooding.
- (f) Natural values:
- i. Construction soil and water management plan.
- (g) Rehabilitation
- vi. Provision of top soil and grass or vegetation on all disturbed surfaces along with weed management measures.
9. Mandatory audit inspections are required in accordance with the Tasmanian Subdivision Guidelines. The developer must provide a minimum 48 hours' notice.
10. Works must be completed to a standard that is to the satisfaction of the Council General Manager.
11. A qualified and experienced civil engineer must supervise and certify all works in accordance with clause 21, 22, 23 and 24 of the Tasmanian Subdivision Guidelines.
12. The developer must engage Council to organise a Practical Completion inspection when practical completion of works for each stage has been reached. Upon successful completion of the inspection in accordance with clause 21 and Appendix 6 of the Tasmanian Subdivision Guidelines, Council will issue a Certificate of practical Completion, listing any minor defects identified.
13. Works are subject to a twelve (12) month Defect Liability Period commencing from the day the final plan of survey was sealed (for the applicable stage, if any) during which time all maintenance and repair of work required by this permit is the responsibility of the developer.
14. A Defect Liability Bond equal to 5% of the total construction value, and no less than \$10,000.00, must be submitted for the duration of the defect liability period.

15. Upon completion of the Defect Liability Period, the developer must engage Council to organise a Final Completion inspection in accordance with clause 24 of the Tasmanian Subdivision Guidelines. When all outstanding items listed in the Certificate of Practical Completion and subsequent defects are satisfactorily completed, Council will issue a Certificate of Final Completion. Any remaining financial security in relation to the works will be returned and Council will assume maintenance of the works.
16. Prior to sealing the final plan of survey, accurate as constructed drawings of all works undertaken must be submitted in .pdf and .dwg formats and:
 - (a) be completed, and certified, by a land surveyor or civil engineer;
 - (b) include the data spreadsheet available from Council completed in accordance with the 'Guidelines for As Constructed Drawings and Asset Data Collection' available from Council;
 - (c) photos of all new assets;
 - (d) be accurate to AHD and GDA94;
 - (e) be drawn to scale and dimensioned;
 - (f) include top, inlet, and outlet invert levels;
 - (g) include compaction and soil test results; and
 - (h) include an engineer's certificate stating that each component of the works complies with the approved engineering plans and Council standards.

Advice: The minimum standard is demonstrated through the As Constructed Example Drawing, available from Council.

General

17. Staging must be in accordance with the endorsed plans and documents unless otherwise agreed to in writing by Council's General Manager.
18. Prior to sealing any final plan, all recommendations of the bushfire hazard management plan must be complete and be certified by a suitably qualified person.
19. All land noted as roadway, footway, open space, or similar must be transferred to Council. Complete transfer documents that have been assessed for stamp duty, must be submitted with the final plan of survey.
20. To the satisfaction of Council's General Manager, the final plan of survey must include easements over all drains, pipelines, wayleaves and services. The minimum easement width for stormwater is in accordance with the Tasmanian Subdivision Guidelines.

13.0 GOVERNANCE

13.1 ADOPTION OF REVISED STRATEGIC PLAN

RECOMMENDATION

“That in accordance with Section 70E of the Local Government Act 1993, Sorell Council resolves to adopt the revised Community Strategic Plan 2019 – 2029.”

Introduction

The Strategic Plan 2019 – 2029 (the Plan) is a long term plan which identifies key objectives describing how Council will develop a clear and practical strategic framework for the ten year period. This strategic document drives multiple processes and functions and determines our focus for community objectives, operational priorities, budget framework, advocacy, influences grant submissions and informs staff project planning.

In 2018, Hexagon Pty Ltd were commissioned by Council to help develop the strategic framework for the development of the Plan. Council management and elected members participated in a facilitated workshop with targeted community stakeholders to brainstorm ideas and share their visions and thoughts on the future direction of Council and our community. Community feedback was also sought in various forms and contributed to the development of the Plan. Management reviewed and collated the information to develop the Draft Strategic Plan 2019 – 2029, detailing the four key objectives for Council to achieve in the ten year period, along with the key outcomes and directions. The Plan was endorsed by Council in June 2019.

The Plan is to be reviewed every four years to ensure that it continues to address the changing needs of the community. The commencement of a newly elected Council in October 2022 presented us with an ideal opportunity to review this strategic document.

Policy

There is no applicable Council policy in this circumstance as the matter of Council adopting a Strategic Plan is required by the Act.

Asset Management Implications

Both human resource and financial implications have been taken into account in the revision of the Plan in the context of the size of the Council and available resources to achieve the objectives of the Plan. If adopted, implementing the Plan will require careful and appropriate consideration as part of the Operational/Annual Plan, budgeting and rating development cycle.

Should resource shortfalls be identified in implementing the Plan, these will require discussion and resolution with Council and appropriate financial and asset management actions taken.

Risk Management Implications

Should Council resolve to endorse the revised Plan, the General Manager is required to provide the Director of Local Government with a copy in accordance with S.70E of the Act.

Statutory implications

Requirements for the review of the Strategic Plan are detailed in S.70E of the Local Government Act 1993 (“the Act”).

70E. Review of plans, strategies and policies

- (1) A council, at least every 4 years, is to review its –*
 - (a) strategic plan.*
- (2) As soon as practicable after a council adopts a plan, strategy or policy referred to in subsection (1), the general manager is to notify the Director accordingly.*

Report

Local Government makes decisions about many things that affect our everyday lives and is often described as the sphere of government that is closest to the people: the 'grass roots' level of government. The principal legislation establishing the powers and functions of councils is the Act with S.20 describing the role of councils as:

- *to provide for the health, safety and welfare of the community;*
- *to represent the interests of the community; and*
- *to provide for the peace, order and good government of the municipal area.*

Council is governed by the Act and required to plan for, develop and manage the municipal area in the interests of the community. Council is also required to comply with contemporary national accounting standards and asset management practices, which are audited by the Tasmanian Audit Office. Further, the Act requires Council, in consultation with the community, to develop a 10 year strategic plan that will be reviewed at least every four years.

Council’s Strategic Plan 2019 – 2029 describes how we will progress towards the longer term requirements of our community and influences our operations, including the way we deliver our services, how we engage with our community and how we govern the organisation.

The Act requires Council to prepare an Annual Plan and budget that is consistent with the Plan. Our Annual Plan must state the way in which we will meet the goals

and objectives of our Plan. It is important that we are accountable in reporting to stakeholders on how we are delivering on our objectives. Key performance measures are included as part of the Annual Plan which sets out how the Plan will be operationalised by the organisation. These measures form part of the public reporting process within the organisation's Annual Report, providing the community with an opportunity to see how Council is delivering on its strategic objectives. Further to this reporting, the Strategic Plan is to be reviewed every four years.

2023 is the fourth year of the Plan and with the commencement of a newly elected Council in October 2022, it was deemed timely that an internal review of the Strategic Plan be undertaken to ensure that it continues to reflect the changing needs of our community.

The review involved surveying elected members to gauge how aligned their views were with the purpose, vision, values and objectives detailed in the plan and how reflective these were of their understanding of the community's expectations. The survey results and subsequent review and discussion resulted in some changes being made to the Plan. It was generally agreed by Council and Management that the Plan remains broad enough to sufficiently allow us to continue with our present strategic focus and activities, whilst also being flexible enough to enable us to address emerging community priorities.

The identified changes have been made in the revised Plan and include the following:

- Inclusion of an Acknowledgement of Country.
- 2023 Mayor's Update.
- Reference to the development of, rather than advocacy for, a Social Strategy.
- Commitment to appropriate and achievable climate change mitigation.
- A refresh of images demonstrating our recent achievements.
- A statement detailing that the objectives are equally weighted and are not in priority order.
- Inclusion of our demographic profile.
- Updated organisational structure.

The revised Plan re-affirms the need for Council to continue its focus on the municipality's future, as well as that of the broader South East Region. Looking ahead to the next 10 - 20 years to determine its strategic direction and consider how to achieve this vision in incremental stages over the life of the plan. The challenge is to identify the key issues that will face the Sorell Municipal Area over the next 10—20 years and identify strategies to meet these challenges proactively.

Upon the revised Plan being adopted by Council, an important task will be to then ensure the organisation is properly informed of the strategic direction it aims to achieve and adopts the operational focus and environment required to bring these to fruition.

Conclusion

Following this internal review of the Strategic Plan, it is deemed that the plan remains suitably broad enough in its scope to allow us to continue with our present strategic focus and activities, whilst also being flexible enough to enable us to address emerging community priorities.

It is recommended that Council adopts the revised Strategic Plan, with a further review to be undertaken in 2027.

STRATEGIC PLAN 2019 - 2029

FROM THE MAYOR

2023 Update

Council's Strategic Plan is reviewed every four years to ensure that we continue to address the changing needs of our community. The commencement of a newly elected Council, with many new faces joining us at the table, was a timely opportunity to review this important document.

Our Strategic Plan helps Council develop a clear and practical strategic framework for a ten year period and drives multiple processes and functions. It determines our focus for community objectives, operational priorities, budget framework, advocacy, influences grant submissions and informs staff project planning.

The review of our Strategic Plan involved surveying elected members to determine how well the new Council were aligned with the plan and the understanding of the community's expectations. The survey results and subsequent discussions informed changes to the Plan. It was determined that the Plan is broad enough to sufficiently allow us to continue with our present strategic focus and activities, whilst also being flexible enough to allow us to address any new community priorities as they arise.

We made some minor changes to the Plan including an Acknowledgement of Country, a refresh of images of recent achievements, clarification that the objectives are not in priority order, commitment to the development of a Social Strategy, inclusion of a climate change direction and updated our organisational structure.

Our diverse community is located in one of the most beautiful parts of the world. Community, Coast, Country describes us perfectly. Our beautiful rolling hills and stunning beaches are matched only by the vibrant people who live and work here. In 2021 we commemorated a special milestone – the bicentenary of the naming of the Sorell Township.

We remain one of Tasmania's fastest growing Municipalities, with recent growth exceeding state averages and forecast growth to 2038 continuing to surpass the state average per annum. Ours is a growing and developing community, with a big desire for new and upgraded resources, while maintaining our lifestyle and local character.

The priorities and operating environment that informed the initial development of our Strategic Plan remain largely the same. Strong regional growth, coupled with changing regulatory and legislative frameworks and limited resourcing and funding, puts our small Council with a limited rate base, under enormous pressure.

STRATEGIC PLAN 2019 - 2029

We remain heavily constrained financially from being able to increase our range of services and to build new and upgraded assets. Trying to balance the community's expectations with what Council can afford, continues to remain an ongoing battle. We continue to strategically review all aspects of our operations.

Since the initial establishment of the Strategic Plan we've achieved a great deal:

- Secured funding for significant projects at the South East Sports Complex including a two court stadium and unisex changeroom facilities.
- Built a new community playground at Carlton, Snake Hollow Park.
- Committed to a street lighting replacement program to change to more efficient LED lights.
- Advocated for our community and successfully secured Government funding for a range of projects including construction of the South East Jobs Hub, extension of the Sorell Memorial Hall and construction of a function centre on top of the Sorell Football Clubrooms.
- Established a shared pathway trail through Dodges Ferry and Carlton, and finished the construction of the Orielton Lagoon Loop.
- Worked with developers to ensure that their subdivision designs and infrastructure created beneficial common areas and linkages in the best interests of local communities.
- Secured significant funding to promote disaster risk reduction in our Southern Beaches coastal communities through safeguarding erosion prone dunes, remediating already eroded dunes and by providing safe stormwater services.
- Listened to our Seniors Advisory Group to upgrade footpaths and construct pedestrian crossings to promote an age friendly community.
- Reviewed our Sorell Streetscape Plan and commenced works to alleviate the effects of the Sorell Southern Bypass.
- Secured funding to establish Business and Employment Southeast Tasmania (BEST) to provide employment, training and business mentoring services to the south east region assisting thousands of job seekers and employers.

I'm delighted that Council's consistent and relentless planning and lobbying over the past eight years has resulted in us positively influencing outcomes with Government and their agencies. Significant investment by the Government into our region in recent years, including funding for the South East Traffic Solution projects, improved bus services, construction of the South East Emergency Services Hub, the redevelopment of Sorell School and establishment of BEST will deliver great improvements for our community, ratepayers and developers for many years to come. We will continue strategically advocating to ensure Government investment into Sorell reinforces our place as the heart of the South East region.

STRATEGIC PLAN 2019 - 2029

The State Government's focus on Local Government reform continues to inform our operations and activities. The major review of Tasmania's Local Government Legislation Framework in 2018 and subsequent identification of Community Engagement as an area for major reform saw us develop an integrated Communication and Engagement Strategy to inform and guide our activities in this important area.

The State Government's Future of Local Government Review recently released its stage two report which outlines three potential pathways for redesigning Local Government in Tasmania. As Mayor, and as a Council, we have been supportive of serious reform in Local Government with a more concentrated focus on the south east region since 2014-2015. We welcome the opportunity for open and frank discussion about how reform can assist us to ensure the social, infrastructure and financial sustainability of our region. The effect of the outcome of this process is unknown at this stage. In light of this we continue to operate in a sensible and responsible manner to ensure the long term sustainability of our community.

Council is committed to continuing our engagement with the community to ensure our collaborative relationships remain on track. Our series of Community Conversations and meetings with the Seniors Advisory Group, Pembroke Park Advisory Group and Sorell Community Cultural Precinct Reference Committee provide invaluable opportunities for the community to engage with Council face to face, discuss what's happening locally and raise any issues of concern. The growth in online engagement through our social media channels and new online services via Council's website is giving our community easier access and greater choice in how and when they interact with Council.

In their State Budget Priority Statement 2019-20 the Local Government Association of Tasmania said the following:

"Perhaps more so than any other stakeholder, Councils deliver the services and infrastructure that shape the daily experiences of Tasmanians. Services that are major determinants of our community's prosperity and wellbeing. Councils are place shapers who drive most people's attachments to, and satisfaction with the area in which they live, making them an essential partner in working to create liveable places."

Council will continue to listen to and work with our community, endeavour to provide the range and level of services they require and advocate on their behalf to improve the long term health and wellbeing of our residents and community.

Mayor Kerry Vincent.

About the Sorell Municipality

Established in 1862, the Sorell Municipality is one of Tasmania's oldest, located 25 kilometres from Hobart in the south-east of Tasmania and covering some 583 square kilometres of rolling countryside, low forested hills and the long coastline of the spectacular southern beaches.

Rich in history, the Municipality has a vibrant artistic community and is popular for its relaxed rural lifestyle and unique townships. It is home to one of Australia's oldest continuously operating schools and the regional sporting complex at Pembroke Park. The Southern Beaches area, once a traditional shack settlement, has become increasingly attractive to retirees and families who are keen to take advantage of the relaxed beachside lifestyle. In summer, an influx of shack owners and visitors significantly swells the population of this area.

The Sorell Township provides a regional commercial focus for residents of the Municipality, as well as servicing the Tasman and Forestier Peninsulas and the east coast as far north as Swansea. It includes a bustling shopping district with numerous cafes, specialty shops, major supermarket chains, well known branded food outlets, pubs and hotels. Government services include a Service Tasmania and Centrelink outlet and Emergency Services Hub. Additional services are major banks, medical facilities, post office, real estate agencies and chemists.

Sorell also provides a strategic gateway to two of the State's busiest highways. Each year, an estimated 370 000 tourists travel through our Municipality on the Arthur Highway to the Tasman Peninsula, and on the Tasman Highway to the picturesque East Coast.

The Sorell Municipality continues to attract people with its affordable housing and close proximity to services and the city, remaining firmly one of Tasmania's fastest growing Municipalities, with recent population growth exceeding state averages.

About Council

ELECTED MEMBERS

Sorell Council is made up of nine elected members, elected for a four year term, to oversee the strategic direction of Council in accordance with the Local Government Act 1993. Elected members are responsible for approving the Strategic Plan, Financial Management Strategy, Long Term Financial and Strategic Asset Management Plans, Asset Management Policy and Strategy, Annual Plan and Budget and appointing the General Manager. Elected members are further responsible for genuinely engaging with and representing their constituents, in order to represent whole of community interests and make well informed decisions on their behalf.

OUR ORGANISATIONAL STRUCTURE

The General Manager is responsible for the organisational governance and operational management of Council, supported by two Directors. The organisational structure consists of seven workgroups which are under direction of a Manager: Assets and Engineering; Finance; Community Relations; Roads and Stormwater; Facilities and Recreation; Health and Compliance; and Planning. The Managers of each workgroup also form part of Council's broader Leadership Team.

Our Purpose, Vision and Values

Purpose

To facilitate a vibrant, sustainable and liveable South East Region.

Vision

A proud, thriving and inclusive South East Community.

Values

INTEGRITY

We work in good faith, are honest and forthcoming and take accountability for our decisions.

UNITY

We work cohesively as one Council, supporting our community and each other to achieve better outcomes.

RESPECT

We listen to and consider the opinions and input of each person and acknowledge each other's contribution.

INNOVATION

We are committed to finding new solutions, adapting to change and continuously improving in order to deliver the best outcomes for the community.

Positioning the Strategic Plan

Local Government makes decisions about many things that affect our everyday lives and is often described as the sphere of government that is closest to the people: the 'grass roots' form of government. The principal legislation establishing the powers and functions of councils is the Local Government Act 1993 (the Act) with Section 20 describing the role of councils:

- to provide for the health, safety and welfare of the community; to
- represent the interests of the community; and
- to provide for the peace, order and good government of the municipal area.

Council is governed by the Act and is required to plan for, develop and manage the municipal area in the interests of the community. Council is also required to comply with contemporary national accounting standards and asset management practices, which are audited by the Tasmanian Audit Office.

Further, the Act requires Council, in consultation with the community, to develop a 10 year strategic plan that will be reviewed at least every four years.

Council's Strategic Plan 2019 – 2029 describes how we will progress towards the longer term requirements of our community and influences our operations, including the way we deliver our services, how we engage with our community and how we govern the organisation.

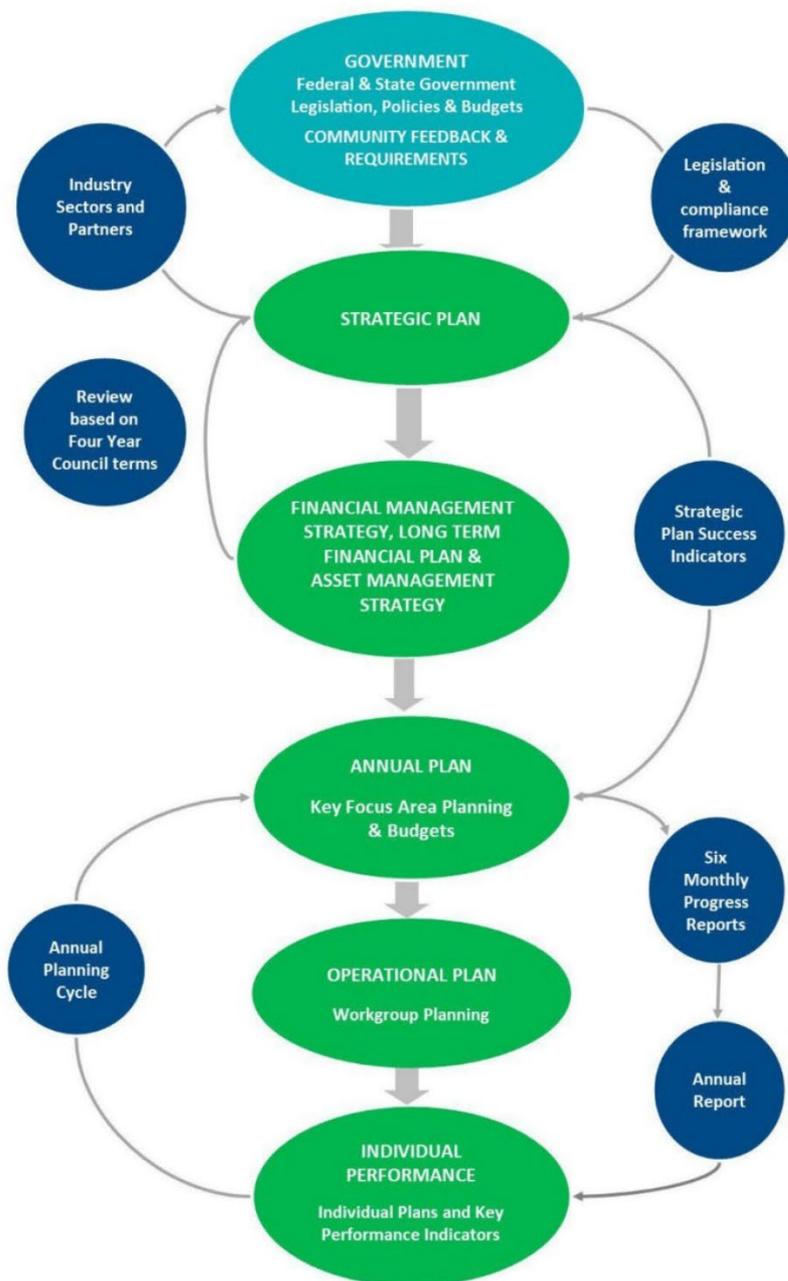

The development of the Strategic Plan has been influenced by:

- Council's membership of South East Region Development Authority (SERDA) with its focus on driving positive outcomes for the wider south-east region;
- Our Financial Management Strategy, Long Term Financial Plan and Asset Management Strategy which aim to maintain the long-term financial sustainability of the organisation;
- Our operational plans which aim to continuously enhance the effectiveness and efficiency of how we operate; and
- Community and stakeholder input.

The Act requires Council to prepare an Annual Plan and budget that is consistent with the Strategic Plan. Our Annual Plan must state the way in which we will meet the goals and objectives of our Strategic Plan. It is important that we are accountable in reporting to stakeholders on how we are delivering on our objectives. Key performance measures are included as part of the Annual Plan which sets out how the Strategic Plan will be operationalised by the organisation. These measures form part of the public reporting process within the organisation's Annual Report, providing the community with an opportunity to see how Council is delivering on its strategic objectives.

Further to this reporting, the Strategic Plan will be reviewed every four years to ensure that it continues to address the changing needs of the community.

The Strategic Plan

The Sorell Council Strategic Plan 2019 – 2029 is comprised of:

Our Objectives

What we want to achieve

Our Outcomes

What we think success looks like

Our Directions

How we will deliver

Our Objectives

To Facilitate Regional Growth

Increased Community Confidence in Council

To ensure a Liveable and Inclusive Community

Responsible Stewardship and a Sustainable Organisation

We are consistently working to deliver all our objectives, all are of equal priority.

1 TO FACILITATE REGIONAL GROWTH

What success will look like:

- Provision of necessary infrastructure and management of assets.
- Increased business investment.
- Increased employment opportunities, with local jobs for local people.
- A regional centre for quality education with improved educational capacity and training outcomes.
- A contemporary planning model that facilitates diversified growth.
- Effective industry and agency partnerships with Council.
- SERDA recognised as the lead regional body.
- The area recognised as a destination to visit.

How we will deliver:

1. Advocate for and support the delivery of the government's south-east transport plan.
2. Increase the capacity for irrigation opportunities and associated agricultural expansion and processing.
3. Advocate for improvement to water and sewer infrastructure for the Southern Beaches and upgrade capacity to serviced areas.
4. Grow and measure business investment in agriculture, aquaculture, retail, service industry and social service sectors.
5. Support industry specific workforce development through regional coordination and Trade Training Centres to supply labour force.
6. Support the increase of education and early learning opportunities.
7. Support the revision of the Southern Tasmania Regional Land Use Strategy.
8. Formalise partnerships with government and industry sectors and their commitment to engage with Council.
9. Facilitate tourism and agri-tourism opportunities through industry sectors and Destination Southern Tasmania.
10. Advocate for the development of regional mountain bike facilities.

② RESPONSIBLE STEWARDSHIP AND A SUSTAINABLE ORGANISATION

What success will look like:

- Long-term financial sustainability.
- Contemporary governance and compliance practices.
- Sound Natural Resource Management.
- A capable and committed workforce.
- Effective stakeholder relationships.
- Delivering the services our community requires.

How we will deliver:

1. Ensure decisions are financially responsible and sustainable.
2. Strategic increase in the supply of commercial and industrial rated land consistent with Sorell Land Supply Strategy.
3. Strategically manage our assets, facilities, services and structure, with a focus on continuous improvement.
4. Give consideration to the potential impacts of growth and developments.
5. Invest capital to minimise maintenance and maximise lifecycle value.
6. Actively seek and maximise grant funding opportunities.
7. Commitment to transparent and accountable governance and well informed decision making.
8. Support sustainable environmental performance through responsible corporate behaviour, appropriate and achievable climate change mitigation and adaptation practices and continuing to meet our statutory obligations.
9. Maintain a skilled workforce through training and development opportunities.
10. Maintain effective partnerships with government, industry and community organisations.
11. Explore improved technology to make service improvements and efficiencies.

Sorell Council - Strategic Plan 2019 - 2029

3 TO ENSURE A LIVEABLE AND INCLUSIVE COMMUNITY

What success will look like:

- Maintaining the 'Community, Coast and Country' lifestyle.
- Sustained community health and wellbeing.
- Improved access to regional services.
- Increased connectivity within and between townships.
- A more convenient and effective public transport system.
- Increased recreational opportunities and participation levels.
- Enhanced community capacity for local arts, culture and history.
- Sustainable access to our natural environment.

How we will deliver:

1. Promote and integrate 'Community, Coast and Country' into our advocacy and operations.
2. Develop and implement a social infrastructure and community growth strategy.
3. Advocate for effective regional service delivery that meets current and future population and demographic projections.
4. Create an integrated network of shared pathways, within and between townships, and to recreational facilities and services.
5. Encourage the use of the public transport system and establishment of suitable park and ride facilities.
6. Secure funding to develop Pembroke Park as a regional recreational facility.
7. Recognise and celebrate the rich history and heritage values of our region.
8. Encourage and support the local arts, cultural activities, programs and events.
9. Support the development of appropriate public access to coastal assets and the natural environment.

4 INCREASED COMMUNITY CONFIDENCE IN COUNCIL

What success will look like:

- Consistent and contemporary Council leadership.
- A positive and progressive organisational culture.
- Provision of organisational wide customer service that generates customer satisfaction.
- A well informed community that is engaged with Council.
- Increased resident satisfaction.

How we will deliver:

1. Encourage elected members to be well informed and engaged, and to represent whole of community interests.
2. Ensure decision making is consistent and based on relevant and complete information, and is in the best interest of sustainability and whole of community interest.
3. Value the contribution our employees make to the organisation.
4. Encourage the exploration of innovative and contemporary solutions that create better outcomes for Council and the community.
5. Consistently meet the standards set in our Customer Service Strategy, Customer Service Charter and statutory timeframes.
6. Engage effectively with the community and other stakeholders, ensuring communication is timely, involving and consistent.
7. Encourage the building of community capacity to deliver local solutions to local issues.

15.1 COMMUNITY GRANTS APPLICATION

RECOMMENDATION

“That Council approve a grant application from Okines Community House under the 2022-2023 Community Grants Program.”

Introduction

Through the Community Grants Program 2022-2023 Council provides financial support to eligible community groups and organisations within the Municipality for their projects, events and activities.

Applications for funding are available for sporting and community groups to support them with their one off activities or projects that benefit the Sorell Municipality.

These may include, but are not limited to:

- Community events and programs;
- Asset purchases which will enhance the functions of the group/organisation within the community; or
- Projects in the local community.

The program is governed by the Community Grants Policy and the Community Grants Program Guidelines which outlines the three funding streams, associated procedures and eligibility requirements.

Strategic Plan

Objective 3.8 – To Ensure a Liveable and Inclusive Community – *Encourage and support the local arts, cultural activities, programs and events.*

Council’s Community Grants Program was reviewed and updated in 2020 to ensure it met the needs of our diverse and growing community. Its broad aim is to provide financial support to eligible community groups and organisations within our community for their projects, events and activities to encourage and support the local arts, cultural activities, programs and events.

Operational Plan

Grants are open for applications throughout the year and will be awarded in line with the annual budget allocation as approved by Council. Sufficient funds currently exist within the current Operational Plan and Budget to fund this application.

Policy

Risk Management Implications

NIL

Community Implications

There will be positive implications for the community through the provision of funds for activities and projects within the Sorell Municipality.

Providing funding to community groups and sporting clubs to run activities, projects and events will enhance the vibrancy and engagement of our community. It provides an opportunity to build the capacity of these groups to be more self-sufficient and have a greater impact and positive influence on the community.

REPORT

For the month of March Council received one Community Grant Application from:

- Okines Community House – a request for \$2000 funding towards their Winter Solstice Lantern Parade due to be held in late June.

Okines Community House has not received a Community Grant in the current financial year, nor have they received funding for this particular event in any past grants program.

This application is now presented to Council for approval.

CAPITAL EXPENDITURE

Capital expenditure to the end of March 2023 is \$5,308,332 (as per Capital Works report run on 3 April 2023).

The following capital jobs have variances of greater than 10% or are expected to have variances of greater than 10% in the 2022/23 financial year. These were included in the Mid-Year Budget Review:

- C-23-T-037 - Primrose Sands, Kruvale Court - Budget of \$63,657. Actuals of \$90,764 and Commitments of \$3,965. The variance is due to additional preparation work to the road base after it was found to be unsuitable for sealing. At MYBR the budget was reduced but the need for additional work was not known or expected.
- C-23-LI-014 - Rubbish Bin Surrounds – Budget \$26,700 and Actuals \$30,010. The variance is due to the MYBR not including an additional bin purchase and delivery cost.
- C-20-PemPark-Stadium – 2 Court Indoor Facility – Budget \$260,435 and Actuals of \$303,770. The budget is overspent as invoices totalling \$25,924.07

were coded to the incorrect job and were transferred to this job after the Mid-Year Budget Review process was completed.

Job Name and #	Month reported to Council	Current Expected Budget <i>Variance</i>
<u>C-22-S-010 – Dodges Ferry, Lateena St</u>	February	\$21,459
<u>C-22-PRELIM-DELRD – Preliminary costs for road widening and widen box culvert</u>	February	\$9,515
<u>C-22-PRELIM-WIGGINS</u>	February	\$2,400

CASH & INVESTMENTS

The Council maintains deposits with four major banks (Commonwealth, ANZ, Bendigo Bank and MyState) and with the State owned Tasmanian Public Finance Corporation (TasCorp).

Council's cash position increased during March, predominantly due to the receipt of rate instalments. Sorell Council continues to hold \$749k in grant income received in advance as reported in the Balance Sheet. In comparison with the 2021/2022 financial year, the current cash balance of \$17.7m is \$2.5m greater than the balance at the same time last year.

CASH RESERVES

As at 31 March 2023, cash reserves being held by Council are as follows;

Land Sales	\$1,074,196
Public Open Space Contributions	<u>\$1,066,759</u>
	\$2,140,955

RATES OUTSTANDING

Attached is a graph showing unpaid rates by month for both the current and previous four years. The graph declines each month as rates are progressively paid throughout the financial year. The second graph has been included to reflect the percentage of rates debt outstanding at the end of each month, with four comparative financial years' data as well.

Collections have remained positive this financial year, with 92.3% of rates already paid by the end of March. At the same time last year, Council had received 92.3% of rates.

20.1 STADIUM FEES FOR SOUTH EAST REGION SCHOOLS

RECOMMENDATION

“That Council resolve to approve the addition of a special stadium hire fee for schools within the South East Region.”

Introduction

The South East Stadium opened its doors to the public in December 2022. An initial fee structure was developed and approved in February 2022 aimed to provide pricing for clubs and organisations to hire the stadium courts and additional spaces.

The initial fees didn't include fee options for school groups to hire the stadium courts on a casual or regular basis. Having received broad interest from various schools within the South East Region to utilise the stadium, it is recommended to add a special fee for school groups in the existing Council's Fees & Charges 2022 – 2023.

Strategic plan

Objective 3 – To ensure a Liveable and Inclusive Community

Annual plan

3.8 – Activate the South East Stadium, with programs and activities targeting broad community demographic, including youth, seniors and young families.

Policy

Not applicable

Environmental implications

Not applicable

Asset management implications

A new revenue stream will be activated by engaging schools and increasing utilisation during off-peak times.

Risk management implications

Not applicable

Community implications

The addition of new school fees will reflect in a positive community impact by increasing options to access the stadium for school groups and allowing local students to experience physical education in a high quality facility.

Report

The proposed new fee to be added to the existing structure is:

“School group fee: \$35/hour”

This fee applies to the hire of one court at the South East Stadium by all school groups from the Sorell Municipality as well as other schools from the South East Region, including Clarence City Council, Tasman Council, Glamorgan Spring Bay Council and Southern Midlands Council.

This fee is not applicable to other organisations, clubs, associations, businesses or individuals.

Conclusion

The addition of the new school hire fees will reflect in an increase on daytime utilisation of the stadium and will emphasise Council’s intention for this facility to become a central South East region sports hub for everyone in the surroundings municipalities.

It is recommended that Council approve the School Group Hire Fee of \$35 per hour.

OPERATIONS MANAGER – PEMBROKE PARK & COMMUNITY FACILITIES

Date 14 March 2023

21.0 QUESTIONS FROM THE PUBLIC

In accordance with Regulation 31 of the Local Government (Meeting Procedures) Regulations 2015, Council will conduct a Public Question Time.

At each meeting the Mayor will invite those members of the public present to ask questions. When requested please:

- Stand up; and
- State clearly your name and address.

This time is allocated for questions from the public. Questions are to be kept brief and specific to the topic to which they relate.

Members of the public are reminded that questions and any answers to such questions are not to be debated.

Questions may be submitted to Council in writing at least seven (7) days before an ordinary Council meeting.

CLOSED MEETING

Members are advised that items listed below in the CLOSED SESSION AGENDA are classified as CONFIDENTIAL ITEMS in accordance with the provisions of the Local Government Act 1993.

A Councillor must not discuss any item listed in a CLOSED SESSION AGENDA with any person (except another elected member, the General Manager or the author of a report to the closed session of Council or a Council Committee) without a specific resolution of the Council or a Council Committee that considered the report.

Section 338A (1) of the Local Government Act 1993 states that a Councillor must not disclose information:

(a) seen or heard by the Councillor at a meeting or part of a meeting of a council or council committee that is closed to the public that is not authorised by the council or council committee to be disclosed; or

(b) given to the Councillor by the mayor, deputy mayor, chairperson of a meeting of the council or council committee or the general manager on the condition that it be kept confidential.

Section 338A (3) states that a member must not disclose information acquired as such a member on the condition that it be kept confidential.

Additionally, Section 339 of the Local Government Act 1993 states that:

(1) A councillor or a member must not make improper use of any information acquired as a councillor or member.

(3) Improper use of information includes using the information –

(a) to gain, directly or indirectly, an advantage or to avoid, directly or indirectly, a disadvantage for oneself, a member of one's family or a close associate; or

(b) to cause any loss or damage to any council, controlling authority, single authority, joint authority or person.

22.0 CLOSED MEETING

The General Manager advised that in his opinion the listing of agenda item/s:

Reference	Item
22.1	Confirmation of the Closed Council Minutes of the Council Meeting of 21 March 2023 – <i>Regulation 34(3)</i>
22.2	Disclosure of confidential information – <i>Regulation 15(8)</i>

As prescribed items in accordance with Regulations 15 and 34 of the Local Government (Meeting Procedures) Regulations 2015, and therefore Council may by absolute majority determine to close the meeting to the general public.

RECOMMENDATION

That the meeting be closed to the public to enable Council to consider agenda items 22.1 - 22.2 which are confidential matters as prescribed in Regulations 34 and 15 of the Local Government (Meeting Procedures) Regulations 2015.

22.1 CONFIRMATION OF THE CLOSED MINUTES OF THE COUNCIL MEETING OF 21 MARCH 2023

RECOMMENDATION

“That the Closed Minutes of the Council Meeting held on 21st March 2023 be confirmed.”

22.2 AUTHORISATION TO DISCLOSE CONFIDENTIAL INFORMATION

^

RECOMMENDATION

“That in accordance with Regulation 15(9) of the Local Government (Meeting Procedures) Regulations 2015, the Mayor and General Manager be authorised to disclose information from this ‘Closed Section’ of this meeting in the course of implementing the decisions of Council.”
